Candidate Statement

If selected as a chapter leader, what key goals would you set, and how do you believe they would be achieved? Please limit your response to 75 words. Respond using the space below or attach a separate page.

As the Membership Director of ASID CT, I would be committed to expanding our membership to include as many newcomers to the profession as possible. As an emerging designer myself, I feel that I am able to identify with the challenges of someone who is new to the industry. For the veterans in the industry, I hope to provide opportunities for mentoring and also for keeping up with changing attitudes about interior design. ASID CT can provide encouragement and networking opportunities that would be meaningful to all designers and industry partners. Many of the events that I have attended in these past years have been invaluable to me, and I hope to contribute to the good work of the leaders who have come before me.

If required by your chapter, please attach a recent photo (no more than a year old) to appear on the ballot.

PLEASE RETURN THIS COMPLETED FORM TO YOUR CHAPTER NOMINATING COMMITTEE.

I understand that among other obligations that I will have as a director are the fiduciary duties of care, loyalty and obedience, all of which have been explained to me. Among those duties are the obligations to (i) disclose any potential personal conflict of interest I may have in regard to any proposed chapter action or activity, and (ii) maintain the confidentiality of board discussions held within meetings and not disclose decisions made by board, until such time as the chapter's president has determined to disclose such decisions.
